U.S. Army Corps of Engineers reinstates Dawgs on Hawgs event at Somerville Lake

FORT WORTH, Texas -- The U.S. Army Corps of Engineers has issued a special events permit to Deepwater Holdings, Inc., today, to hold the “7th Annual Dawgs on Hawgs Charity Event” at Big Creek Marina April 21. The permit had been revoked April 15 due to a failure to comply with permit provisions. After providing a newly revised security plan and roster of TCLOSE certified law enforcement officers for event security, local officials and the Corps of Engineers accepted the plan and reinstated the permit.

For more information call the Somerville Lake Office at (979) 596-1622.
